

SUMMER CAMPS

Area summer school camps may be offered to students by the high school and middle school coaches. Coaches may run these camps either as a fundraiser, (students pay a registration fee and the funds are placed into school's sports campus account), or as a Free Camp, (where no registration fee is charged).

In either camp situation the coaches will not receive extra compensation for working the camp.

The guidelines for operating a sport camp as a fundraiser are as follows:

- Camp must comply with all UIL regulations.
- Camp may only run for six consecutive days.
- Camp must be held after the last day of school prior to the second Monday in August.
- All coaches working the camp must be EPISD employees.
- Camps are restricted to one camp per sport per school.
- A properly approved fundraiser application must be on file prior to beginning the camp.
- All funds generated from the camp will be handled in compliance with the guidelines illustrated in the Campus Accounting Manual.
- The registration fee for the camp may not exceed **thirty dollars**.
- Students on free and reduced lunch will have registration fee waived.

The guidelines for operating a sport camp as a free camp are as follows:

- Camp must comply with all UIL regulations.
- Camp may only run for six consecutive days.
- All students will be admitted without a registration fee.
- Camp must be held after the last day of school and end prior to the second Monday in August.
- All coaches working the camp must be EPISD employees.
- A properly approved Facility Use Form must be on file prior to beginning the camp.
- Camps are restricted to one camp per sport per school.

The guidelines for having a third party operate a summer camp on your campus are as follows:

- Camp must comply with all UIL regulations.
- A properly approved Facility Use Form must be on file prior to beginning the camp. **The Facility Use Form must list the organization as the one using the facility and be signed by the organization representative.**
