Schedule #4B-Program Description: Additional Program Requirements

Part I: Contingency Plan for Redistribution of Unallocated Funds Responses are limited to the space provided, front side only, with a font size no smaller than 9 point (Arial or Verdana).

Part I Contingency Plan Funds (These funds **cannot** be used for professional development.)

1. Part I funds not awarded will be redistributed equally among all Part I teachers that met the required plan criteria (at a minimum met criteria #1 and #2) until all remaining funds are distributed.
2. Part I funds not awarded will be redistributed using the below procedure among the following Part I teachers that met the required plan criteria (at a minimum met criteria #1 and #2), until all remaining funds are distributed.

List/define eligible Part I teachers (do not use individual names):

Distribution Procedure (Specify amount, teacher and specify criteria):

Explain the criteria necessary to qualify for redistributed funds (include any language that excludes teachers from receipt of redistributed funds, i.e., teacher retires, transfers to another campus during the grant year, and/or does not return to the campus the year following the grant award and include any language that "caps" or limits the amount to be redistributed):

Contingency Plan for teachers:

- Budgeted funds that are not distributed in Part I will be redistributed equally among the teachers that met both criteria 1 and criteria 2. The maximum cap, in the event of a re-distribution, is twice the amount of the maximum award established per teacher.
- Teachers who are filling vacancies of previous allotted positions qualify to receive an incentive if they meet criteria 1 and 2 as identified in the grant application; however, they will receive a pro-rated incentive based on the number of days they were on duty at the campus. They must remain on site until the last day of school year 2009.
- All teachers who complete the entire school year but transfer, retire or leave the campus at the end of the term, will be eligible to receive the incentive.

The following criteria will disqualify teachers from receiving an incentive:

- Teacher will not qualify if they are added as additional staff since they were not included in the original proposal.
- Teachers who leave their teaching assignment for any reason (i.e. resign, transfer (voluntary or involuntary, etc.) prior to the end of the 2008-2009 school term, irregardless of how many prior years they were at the campus.
- Teachers with any disciplinary actions and who are removed from the campus for 30 or more calendar days have not contributed 100% to criteria I and II for the entire school year of 2008-2009 and will be disqualified.

Schedule #4B-Program Description: Additional Program Requirements

Part II: Contingency Plan for Redistribution of Unallocated Funds Responses are limited to the space provided, front side only, with a font size no smaller than 9 point (Arial or Verdana).

Part II Contingency Plan Funds (These funds cannot be used for incentives to staff that did not qualify for awards under either Part I and/or Part II criteria.)

- Part II funds not awarded will be redistributed equally among all Part II staff that met the required plan criteria until all remaining funds are distributed.
- Part II funds not awarded will be redistributed using the below procedure among the following Part I and/or Part II staff that met the required plan criteria, until all remaining funds are distributed. Also be sure to indicate if any funds will be used for other allowable Part II activities (i.e., professional development).

List/define eligible campus staff or the allowable Part I and/or Part II Activity (do not list individual names).

Distribution Procedure (Specify amount, staff person and specify criteria):

Explain the criteria necessary to qualify for redistributed funds (include any language that excludes campus staff from receipt of redistributed funds, i.e., campus staff person retires, transfers to another campus during the grant year, and/or does not return to the campus the year following the grant award and include any language that "caps" or limits the amount to be redistributed):

Contingency Plan for administration and support staff:

- Budgeted funds that are not distributed in Part II will be redistributed equally among the qualifying employees that met their specific criteria as identified in the incentive plan. The maximum cap, in the event of a re-distribution, is twice the amount of the maximum award established per person.
- Staff who are filling vacancies of previous allotted positions qualify to receive an incentive if they meet the criteria as specified in Part II; however, they will receive a pro-rated incentive based on the number of days they were on duty. They must remain on site until the last day of school year 2009.
- All staff who complete the entire school year but transfer, retire or leave the campus at the end of the term, will be eligible to receive the incentive.

The following criteria will disqualify administration and staff from receiving an incentive:

- Staff will not qualify if they are added as additional personnel since they were not included in the original proposal.
- Staff who leave their position for any reason (i.e. resign, transfer (voluntary or involuntary), etc.) at the campus prior to the end of the entire 2008-2009 school term, irregardless of the amount of prior years they are at a campus.

Clarification

- Exemption to the attendance is due to major medical reasons (i.e. cancer, workman's comp injury, pregnancy)
- Satisfactory evaluation means all indicators were met. If any performance indicator falls below expectations, this disqualifies staff under Part II.
