Distribution Procedure (Specify amount, staff person and specify criteria):

Explain the criteria necessary to qualify for redistributed funds (include any language that excludes campus staff from receipt of redistributed funds, i.e., campus staff person retires, transfers to another campus during the grant year, and/or does not return to the campus the year following the grant award and include any language that "caps" or limits the amount to be redistributed):

Contingency Plan for administration and support staff:

- Budgeted funds that are not distributed in Part II will be redistributed equally among the qualifying employees that met their specific criteria as identified in the incentive plan. The maximum cap, in the event of a re-distribution, is twice the amount of the maximum award established per person.
- Staff who are filling vacancies of previous allotted positions qualify to receive an incentive if they meet the criteria as specified in Part II; however, they will receive a pro-rated incentive based on the number of days they were on duty. They must remain on site until the last day of school year 2009.
- All staff who complete the entire school year but transfer, retire or leave the campus at the end of the term, will be eligible to receive the incentive.

The following criteria will disqualify administration and staff from receiving an incentive:

- Staff will not qualify if they are added as additional personnel since they were not included in the original proposal.
- Staff who leave their position for any reason (i.e. resign, transfer (voluntary or involuntary), etc.) at the campus prior to the end of the entire 2008-2009 school term, irregardless of the amount of prior years they are at a campus.

Clarification

- Exemption to the attendance is due to major medical reasons (i.e. cancer, workman's comp injury, pregnancy)
- Satisfactory evaluation means all indicators were met. If any performance indicator falls below expectations, this disqualifies staff under Part II.
