Our Mission Statement:

Our Vision:

To be a leading middle school by inspiring and empowering learners to thrive.

What is a Compact?

A school compact is a written agreement between a school, parents, and students. The compact gives strategies to help support students success in school. The compact explains what families and school's can do to make a connection for the student between the two worlds they live in, home and school. Parents, students, and the school work together to create a group of ideas that can assist students with realizing their potential. This becomes the compact that is signed as an agreement by all those involved in the child's education.

How we will communicate?
