

Burges Access to Schoology

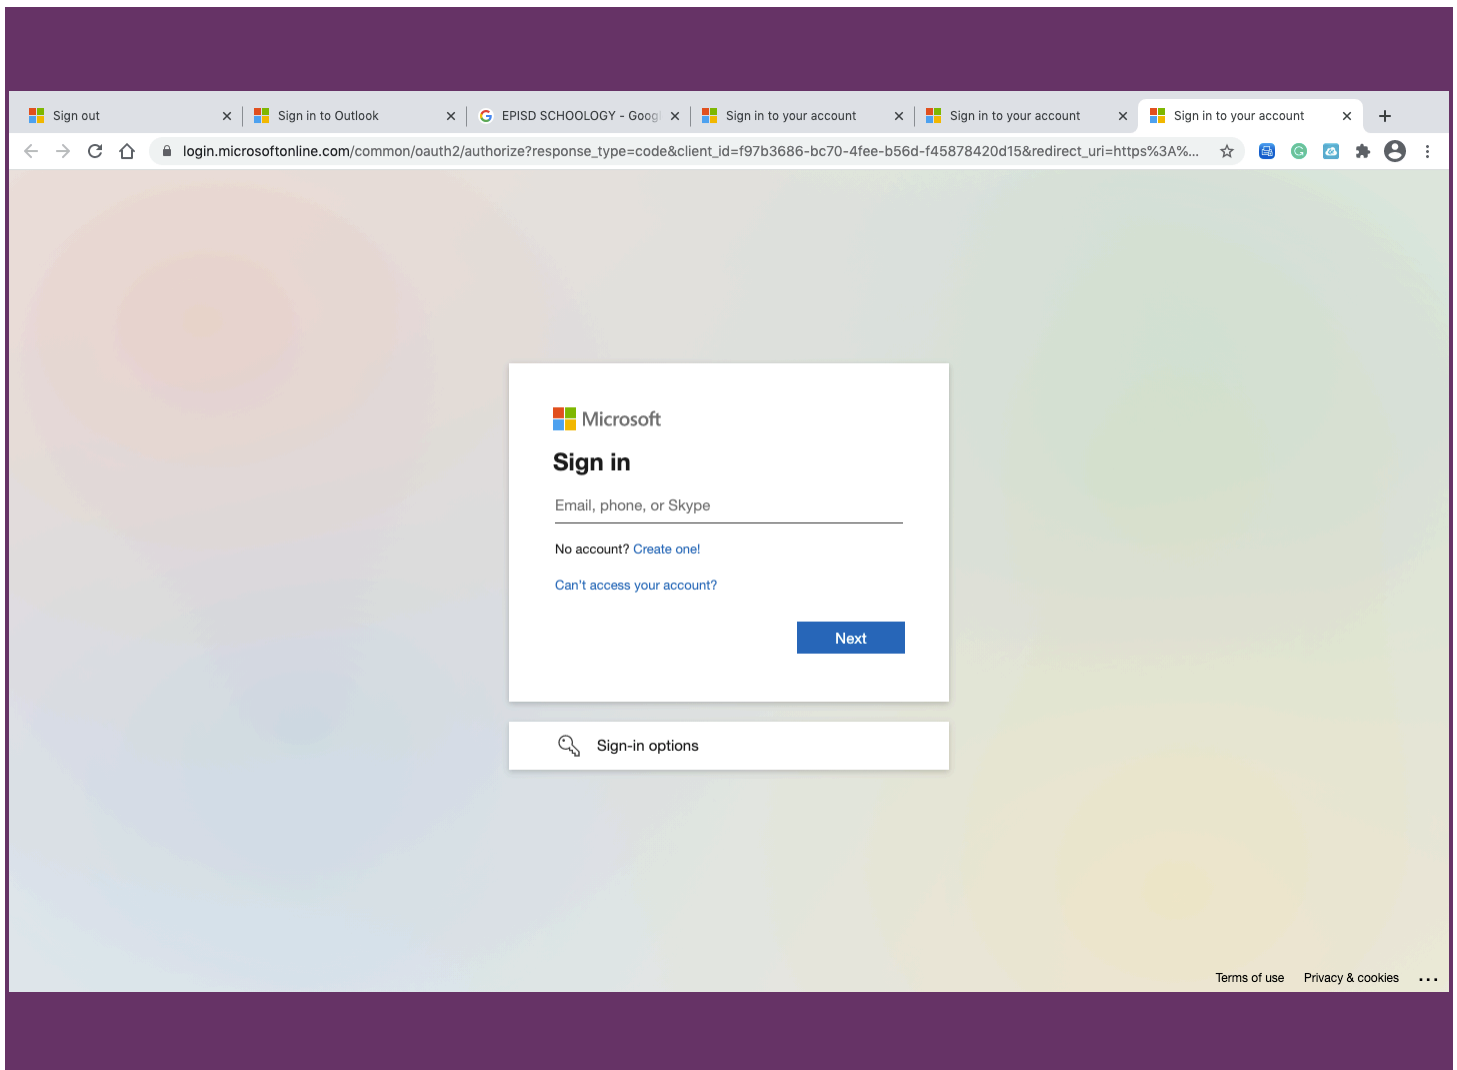

EPISD SCHOOLGY
Burges staff, students, and
community have access to EPISD
Schoology

TUTORIAL:USE OF SCHOOLOGY

STEP 1: Students can go to google, then type in episd schoology or use the site address, you can copy and paste the link or type in the link below:(CLICK ON EPISD.SCHOOLOGY.COM below)

EPISD Schoology

episd.schoology.com

STEP 2: Students will see the screen above, and they can login using their episd login information(episd username and episd password). Be sure to include your entire episd email address for the username. Once you login, you will see the following screen (schoolology homepage). Enter their EPISD Email and Password (YYYYMMDD) format

*****Please see example below, this is what you will see after you login*****

The screenshot shows the Schoology homepage for El Paso Independent School District (EPISD). The navigation bar at the top includes 'COURSES', 'GROUPS', and 'RESOURCES'. The main content area is titled 'COURSE DASHBOARD' and displays a grid of course cards. A 'Notifications' sidebar is open on the right, showing a list of recent activity.

Course Cards:

- EPISD Librarians/Long Distance Learning: All Levels** (El Paso ISD)
- common sense DISTRICT** (EPISD-Digital Citizenship 2020-2021: Campus Leader/Teacher Resources) (El Paso ISD)
- #ONEBURGES 20-21: IOB** (Burges High School)
- 6 Hour Annual GT Update 2020/2021: Global Update- 6 Hour Annual (2020/2021)** (El Paso ISD)

*****Please read the following directions for logging into to Schoology(Please note that you will need to have set up your Office 365 account prior to having access to Schoology)*****

Logging into Schoology: Student Edition In order for our students to log into Schoology, they must have had previously logged into, and set up, their Office 365 accounts. Here are the steps for students to get into Schoology: If a student has never set up Office 365: (If students already previously set up Office 365 accounts, they can skip steps 1-4)

1. Log into <http://portal.office.com>
2. Enter their EPISD Email and Password (YYYYMMDD) as prompted (eg:
bmanilo@episd.org and 19430714)
3. Once in Office 365, click FIRST on OneDrive. This sets up their Office 365 accounts and takes a minute or two. Failure to click on OneDrive will result in an error message later.
4. Once they have an Office 365 account, they are good to log into Schoology. Please note:
Failure to set up an Office 365 account will prevent students from logging into Schoology. Logging into Schoology:
5. Log into <https://episd.schoology.com>
6. Enter EPISD email credentials: email and password (YYYYMMDD) (eg:
bmanilo@episd.org and 19430714)

7. Students should now be in the Schoology environment.

If a student cannot log into the Schoology environment, please make sure that he/she has set up their Office 365 accounts properly and has entered their username and passwords correctly.

If students are still having issues, please visit the EPISD Schoology Help Page:

<https://www.episd.org/schoology> for more assistance.
