The University of Texas at Austin
OnRamps

High School to ABSN Pipeline

Opportunity for high school students to begin takes courses geared towards admission into the Accelerated Bachelor of Science in Nursing Program at TTUHSC El Paso-Gayle Greve Hunt School of Nursing while completing their high school curriculum.

Accelerated Bachelor of Science in Nursing (ABSN)

- **16 Month Program completed in 4 semesters**
- **300 Clinical hours are completed in small groups in hospital settings**
- **Scholarships and Community Partnerships are available to assist students financially**

Advantages of Pipeline

- Students can start this pipeline as early as freshman year of high school.
- Student can earn an Associates Degree in Multidisciplinary Studies from EPCC.
- Meeting the ABSN program admissions requirements can be awarded contingent admission to the Fall ABSN cohort following their high school graduation.
- Once accepted into TTUHSC-GGHSN, a BSN can be achieved in 16 months.
