Hello T-Bird Family,

I hope you are doing well, and your new year is off to a great start.
Good news from the district - all students who have chosen the hybrid model will report to campus the week of January 19th. Students with a last name ending in A – L will report to campus regularly Mondays and Tuesdays (Tuesday and Wednesday next week) and students with a last name ending in M – Z will report on Thursdays and Fridays. All students will attend school virtually on Wednesdays, unless told otherwise.

For freshman and new students who are returning to campus in January, we will have campus tours on Monday, January 18th at 9:30 am for students with a last name ending in A - L and at 10:30 am for students with a last name ending in M – Z. Students will meet in front of the Fine Arts Auditorium and must wear a mask for campus tours.

Students who are returning to campus will be required to wear a mask and take the wellness check survey every day before they get to campus (www.tinyurl.com/tbirdstudents). Students will move about the campus throughout the day attending each of their classes. Students should also bring a water bottle daily since they will not be able to use the water fountains.

Students will not be able to leave campus for lunch, the cafeteria will provide free lunch for all students and students may also bring their own lunch.

Class begins at 8:45 am each morning and students must report to campus no earlier than 8:30 am where their temperature will be taken. Students must immediately leave campus at the end of the school day. Buses will be running, and you can click the following link to find your bus stop or contact 230- 2500 for more information. https://www.episd.org/site/Default.aspx?PageID=5660

We are looking forward to seeing our students on campus and please be rest assured that our student’s and staff’s safety is our top concern.

Thank you for your patience and understanding.

Sincerely,

Marc Escareno
