

2020-21 Student Parking Policy for Coronado High School

T-Bird Family,

It is an exciting time for our Coronado community as construction of our new school continues. The reality for students, however, is that the current parking situation is lacking. As a result, the lots in which students may park during the school day will be limited to:

- 1) **the stadium parking lot (along the side of Fine Arts)**
- 2) **the AG/tennis courts parking lot**
- 3) **the softball field parking lot.**

Any student who currently has enough credits to be listed as a junior or senior will be able to apply for a parking permit. Please read the policy below for the criteria to be issued a permit:

- 1) **The student must be currently registered in the school computer system.**
- 2) **The vehicle must have a valid license plate and student a valid driver's license.**
- 3) **Students must provide proof of insurance.**

Guidelines for students who are issued a permit:

- 1) Student must obtain a parking permit during one of the designated issuing events.
- 2) The permit must be adhered to the windshield near the Texas registration sticker.
- 3) Vehicles are parked on the campus at the owner's risk.
- 4) Students must only park in the designated lots/parking spaces assigned to them.

There are a limited number of parking spaces for students. Any senior or junior who qualifies will be issued a permit for their vehicle. **There will be a significant number more student permits issued than parking spaces for those permits.** *Students who arrive to campus first will be able to park on campus. Students who arrive later will not be able to park on campus even though they have a parking permit.*

Violations which may result in consequences but are not limited to:

- 1) Parking in an illegal area (handicap, fire lane, designated faculty or lined no parking)
- 2) Parking without a permit adhered to the wind shield.
- 3) Parking without a valid license plate on the vehicle.
- 4) Inappropriate or dangerous driving anywhere in the vicinity of the campus.

******Parking is a student privilege which may be revoked******

Possible Consequences:

- 1) Student receives warning from school administration and parents contacted.
- 2) Parking citation issued by EPISD police for a vehicle being illegally parked.
- 3) Revocation of the parking pass for repeated violations.
- 4) The vehicle towed at owner's expense for serious and/or repeated violations.

We appreciate your patience and understanding during the reconstruction of our school.

Your Coronado Administration

Coronado High School
Automobile Use & Student Parking Policy 2020-2021

Parking at Coronado is a privilege and all vehicles must be properly registered.

Last Name

First Name

Student ID Number

Driver's License Number

Grade
