

Benefit Bite #1 Open Enrollment 2020/2021 Plan year

This year, as every year, all employees are required to go online to complete the benefits enrollment to include employees that are not making changes. Some benefits require that you pledge or confirm amounts and therefore, it is your responsibility to participate.

OPEN ENROLLMENT THIS YEAR WILL TAKE PLACE FROM JUNE 29, 2020 - JULY 31, 2020 for coverage effective September 1, 2020.

Open Enrollment will be available online at www.benefitsolver.com. The enrollment site is available through any internet connection, you do not need to log into EPISD to access the enrollment site. The Benefitsolver website is not compatible with Google Chrome so Internet Explorer or Mozilla Firefox should be used.

It is very important that you take advantage of this opportunity to review your benefit selections, covered dependents, and renew any Flexible Spending Accounts or Health Savings Account that you wish to participate in.

In order to log in, you will need the user id and password you created for Benefitsolver. If you have forgotten your password, you can reset it and the company key is elpaso. Feel free to log in now and review your current benefits. You can view your benefit summary once you have logged in, by clicking on the drop down arrow next to your name at the top of the screen.

June may seem to be a long time away, but it will come very quickly and this is a great time to prepare by reviewing the Benefit Plans you are currently enrolled in.

We will be hosting Zoom sessions called Benefit Bites Live beginning April 30, 2020. Keep an eye out for emails about the Benefit Bites Live schedule and tune in to learn more about the upcoming plan year and changes. Additionally, all Benefit Bites will be available on the Employee Benefits Website.

Stay Healthy and stay informed!
