

Benefit Bite #4 Vision 2020/21 Plan Year

METLIFE is our new vision plan provider for the upcoming plan year beginning September 1, 2020. Metlife has provided great service to our employees in the past as the provider for dental services and we look forward to continuing great service through them for our vision.

The Metlife Vision Plan is similar to our current vision plan but does have additional benefits. Your cost for the vision will not increase in the new plan year.

Features:

\$20 co-pay for vision exam

\$20 co-pay for any eyewear purchased

1 Routine eye exam per plan year

Eye exam is covered in full after co-pay as long as you stay in network

Lenses for eye glasses are covered in full as long as you stay in network – any specialty added features such as tinting or scratch resistance will be paid by employee, but a discount will be applied as long as you stay in network

\$150 allowance towards frames

\$175 allowance towards contact lenses

Please see the Metlife Vision flyer for more information; this flyer is available on the epsid.org/benefits web page as well as the benefitsolver.com website.

Stay healthy and stay informed!
