Dear Parent(s):

Welcome to Dowell Elementary School! We are excited to begin a new year! We have much to be thankful for now that our Owl family has grown. Realizing that your children’s education is a shared responsibility, the Parent handbook has been designed to acquaint you with both district and campus policies and procedures.

Please take a few minutes to read through its contents, which I am sure you will find informative and helpful throughout the year. Your assistance and cooperation are both appreciated and necessary if we are to provide a safe, quality, learning environment for your children.

You can find a printed out copy of the handbook at the office or you can access online through our website at http://dowell.episd.org/.

If you have any questions, please call 915-236-5525.

Sincerely,

Yeni T. Ontiveros

ATTENDANCE

Regular attendance is necessary for excellent achievement. Your child needs to be present at school unless he/she is ill. Schedule your child’s doctor’s appointments after 10:00 A.M. when possible. Bring a doctor’s note the following day to get attendance credit for the previous day. All absences are counted even when students are pulled out early from school. We will not release a child after 3:05 for Pre K and after 3:15 for K-5th. It is too close to release time. If someone other than parent or guardian is taking child out of school during instructional time, we need written consent from parent/guardian letting us know who will take child our and why.

If your child will be absent, we ask that you call the school office before 9:00 A.M. Your call and the reason for absence will be recorded on your child’s Absent/Tardy Calendar Card. If it is not possible to call, do send a written excuse to the office telling us why your child was absent. If you call, it is not necessary to send a written excuse when your child returns to school. Students with excessive absences will be referred to the Judicial System. You will receive court warning instructions. The very next absence will result in a court order, and then you must appear in court and explain the reasons for absences.

MAKE UP WORK

In the case of an excused absence, your child will be allowed one day for each day of absence in which to make up missed assignments. This is your child’s responsibility.

CHANGES IN STUDENT INFORMATION

It is very important that we are able to reach you and have up-to-date information for our school records. Notify us immediately of changes in your address, telephone number, employment, or emergency telephone number. Call the office or send a note to your child’s homeroom teacher with the new information.

CONFERENCES

You are urged to keep in close contact with your child’s teacher. A specific portion of each teacher’s day is set aside for conferences. A conference may be arranged by calling the school office or sending a note to your child’s teacher. Whenever possible, conferences will be scheduled for the next school day. Please call the school if you feel your child is not succeeding or is having behavior problems at school.

DISCIPLINE

We are now an SEL/ PBIS campus. The safety of our student is EVERYONE’S responsibility. EPISD regulations state that certified employees of the district are on duty at all times while on school property and responsible for the discipline of students. Any misbehavior in their presence becomes the employees’ responsibility to be proactive and follow the appropriate procedures or report to the proper authority.

We will utilize the positive behavior support intervention discipline approach at Dowell School. The district’s Discipline Management Plan: a Student Code of Conduct is located on the districts website – www.episd.org. This plan was approved by the state and delineates the responsibilities of students, teachers, parents, and administrators. These policies will be strictly followed.

Our school core values are:

- Be Positive
- Be Respectful
  - Use kind words
  - Treat everyone like you would like to be treated
- Be Responsible
  - Come to school every day and be on time
  - Do your work
- Be Safe
  - Keep your hands and feet to yourself
  - Follow all school rules
Your child’s teacher will give you a copy of the discipline plan used in his/her classroom. This plan lists the class rules your child is expected to follow and the specific consequences that will occur if the rule is broken.

**DRESS CODE**

Clothing worn by students is not to be suggestive or indecent, cause disturbances or interfere in the instructional program, nor constitute health or safety hazards. Students may not wear crop tops, tank tops, baggy pants/shorts, short shorts, hats inside school building, platform shoes, flip flops, clogs, spaghetti straps, very long pants, or very short skirts. At Dowell, students are required to wear uniforms. Please, refer to the uniform handout.

**EARLY DISMISSAL**

If it is necessary for your child to leave early, you must notify the office and sign him/her out in-person. Your child will not be allowed to leave school unless accompanied by you. If an extenuating circumstance occurs and you are unable to pick up your child in person; for safety reasons the school must have written permission signed by you to release your child to another person. Your written permission also needs to include a telephone number where we can contact you to verify your written request. Again, this procedure is for the protection of your child. Please remember that leaving early still counts as an absence.

We would appreciate you not taking students out early unless it is an emergency. Please note that official attendance is at 10:00 A.M. Therefore, we ask that appointments that cannot be scheduled after school be scheduled in the afternoon.

**HOLIDAYS**

**LUNCH**

Your child will receive an individual class lunch schedule for his/her class.

*All students at Dowell Elementary will receive a free breakfast and lunch for school year 2019-2020.*

**Future information:**

- Full price breakfast is $1.25 and full price lunch is $1.95. Milk may be purchased separately for 0.50 cents.
- Free or reduced meals are available if your family income meets the federal guidelines. Reduced breakfast is $.30 and lunch is $.40. Applications are sent home the first day of school and are also available in the school office.

Students may bring lunch from home.

*Parents may eat in the cafeteria with their child ONLY ON WEDNESDAYS.* However, you must purchase a lunch tray (item per item basis) or bring a lunch from home. Students will receive first priority seating due to time and space restrictions.

Parents are **PROHIBITED** from eating food that has been served to children. This is a **FEDERAL REGULATION** and, if violated, it could lead to the loss of free/reduced lunch eligibility.

Cafeteria rules are posted throughout the cafeteria for your information. A copy will be sent home with your child on the first day. Please take time to read and discuss these with your child(ren).
MEDICATION AND NURSING SERVICES

Our nurse is on duty all day. If your child is ill, he/she should remain at home until well enough to attend school. In the event your child becomes sick or injured at school, we will need to be able to contact you. It is imperative that you complete and return an emergency medical card to your child’s homeroom teacher. Let us know immediately of any change in your home, work, or emergency contact person’s telephone number.

If your child needs to take medication at school, the following school district regulations apply:

1. Medicine may be given only at the written request of the parent. The request must be signed and have the name of the medicine, time to be given, and exact dosage to be given.
2. A prescription label, showing the name of a U.S. physician, should be affixed to the container in which the medicine is brought to school.
3. A doctor’s written order must accompany the medication if it is to be administered for more than one week.
4. Only the dosage for one day at a time should be sent to school except by special arrangement with the school nurse.
5. All medicine, prescribed and non-prescribed, must be brought to the office when the child arrives at school.

PHYSICAL EDUCATION EXCUSES

Students are required to fully participate in physical education as per state mandate. However, if your child is recovering from an illness and may attend school, but you do not want him/her to attend Physical Education classes, send a written note or a note from the doctor with restriction.

PETS

District policy prohibits warm-blooded animals on school grounds. Children should not bring their pets to school.

REPORT CARDS AND PROGRESS REPORTS

Report cards are issued at the end of each (9) nine weeks PK – 5 grades and will be sent home with your child.

Please sign and return the report card with your child. The district’s grading scale and requirements for promotion are printed on the report card.

Progress reports are sent to you midway through each grading period. Please sign and return the side slip to your child’s teacher for our school records. You keep the progress grade portion.

If you have any questions or concerns about your child’s grades or progress, please call the school to arrange for a parent/teacher conference.

*Please make sure that your child is picked up promptly on early release days.*
HOMEWORK

You may expect your child to have homework on a daily basis. The purpose of homework is to reinforce what has been learned in the classroom. To master basic skills, children need to practice them independently. Completing homework assignments also teaches responsibility and develops positive study habits.

Parents are the keys to making homework a positive experience. Please make homework a top priority by providing the necessary supplies and a quiet homework environment, setting a daily homework time, providing praise and support, and not allowing your child to avoid homework. In no case should parents do homework for their children. Contact your child’s teacher if your child cannot do or does not understand a homework assignment.

WORK ASSIGNMENT NOTEBOOKS

Students in grades 3, 4, and 5 will have work assignment notebooks. The notebooks should have all class assignments and homework posted each day. Check and initial these notebooks on a daily basis; then there are no surprises when report card time comes around.

INCLEMENT WEATHER

When the weather is bad, students will be allowed to stay in the cafeteria. We urge you to make definite arrangements with your children so they know exactly what they are expected to do on a day when it is raining at dismissal time.

When bad weather warrants the action, the district-wide decision will be made by 6:00 A.M. to keep school open, delay the opening, or close school. An official announcement will be released through the news media.

Your child is eligible for the “A/B” Honor Roll for any nine weeks period if he/she has all A’s and B’s and no N’s or U’s in effort or conduct in all subjects including art, music, and physical education.

SAFETY AND SECURITY/DROP OFF AND PICK UP

We will have many vehicles and construction going on. We must all do our part to ensure the safety of EVERYONE!

Talk to your child about the need to be careful crossing the street when going to and from school. Please tell him/her to cross only at a crosswalk!

IMPORTANT: Do observe the fire lanes. No parking or standing at the fire lanes during drop off or pick up. Be cautious and observe the entrance/exit signs when dropping off students in the morning and picking up your child after school. Do not park and wait on the fire lane. Please look for parking if you are going to wait.

We ask that the parents of all students wait for children outside the building. A large number of additional people in the halls at 3:25 create an unsafe and hazardous condition. Please wait for your child outside or from which he/she is dismissed at 3:25.

If you need to enter the building to wait for your child, we ask that you sign-in at the office and wait in the cafeteria for your student to be dismissed.
All visitors, including parents, are required to present ID, have it scanned, sign in and receive a visitor’s pass. This includes lunchroom visits. You must have a visitor’s pass visible when you are in the building. This is to insure the safety and security of your child. EPISD police will assist us in this matter.

LUNCH VISITS

Wednesday is the designated day for parent lunch visits during your child’s lunch time.

CITY PARK

*Due to construction, we will be using the park for our outdoor activities. Please make sure you DO NOT leave you child at the park when there is no supervision.

STAYING AFTER SCHOOL

Please make every effort to pick up your child on time.

TELEPHONE

Our office telephones need to remain available for official school business and emergency calls. Children will not be allowed to use the telephone except in an emergency. Calls to request books or homework or to make after school plans are not emergencies. Please make plans ahead of time about early dismissal, rides, and after school activities.

TEXTBOOKS

Textbooks are provided to your child by the state. He/she is responsible for the books issued to him/her. Lost or badly damaged books must be paid for in full. Minor damages require a fine to be paid. The state also requires that all textbooks be covered. Students will be provided covers for each of their books.

TRANSFERS/WITHDRAWALS

If it is necessary to move your child to another school, please inform us at least one day in advance. We need at least a 24-hour notice to complete the necessary paperwork and to conduct book checks.

It is important that you give us your complete new address and, if possible, the school your child will be attending.

A student attending Dowell on a Pupil Transfer Request is reminded that if there are any problems with discipline, attendance, or low grades due to lack of effort, lack of parental cooperation permission for the student to be at Dowell may be revoked.

CONCLUSION

We are here to provide all our children with a quality education. Dowell’s teachers and staff are dedicated to this goal. With your help and cooperation, we can succeed. Please feel free to contact us if you have any questions, concerns, or suggestions to improve our school.
