

# OnRamps Chemistry: A University of Texas Course

## Teacher: Heidi M. Baine, Room E233

- ▶ College Chemistry Course
  - ▶ Curriculum written and supported by the University of Texas
  - ▶ Mrs. Baine serves as professional tutor to assist students
  - ▶ Two grades
    - ▶ Course grade assessed by Mrs. Baine
    - ▶ College grade assessed by UT
  - ▶ Potential for college credit accepted by other Texas colleges and universities
  - ▶ Ability to refuse the college grade if the student doesn't want it
  - ▶ Extra points added to GPA because it is an advanced course

As an AP teacher, I have the content knowledge and teaching skills to help you be successful in this course.
