1st Choice _____ 2nd Choice _____ 3rd Choice _____

*Reading Intervention and/or Math Intervention may be required as an elective if your child did not pass the Math and/or Reading STAAR the previous school year.

*Discovering Languages and Culture is a required for 6th grade students participating in the Dual Language program.

Parents please be aware of the following:

- We will make every effort to accommodate the elective choices in order; however, if a class is full or there is a conflict with the overall schedule there might be adjustments.
- If your child is in need of an Intervention class for extra support in Math and/or Reading based on STAAR results, these classes would replace an elective choice.
- Parents must sign the form to indicate that they approve of the core studies and elective choices.
- If your child is not being successful in Pre-AP, the campus will communicate with the parent to discuss a schedule change so that the student may be successful.
- Students who are enrolled in a High School credit class are aware that the grades associated with that class will affect their GPA and High School Ranking. (8th Grade Algebra 1, Spanish 1, 2, 3, 4, 8th Grade PE, 8th Grade Keyboarding, Speech are included)
