

WHAT IS A SCHOOL PARENT COMPACT?

A school-parent compact for achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards. Armendariz Middle School teachers, students, and parents developed this School-Parent Compact for achievement. Teachers suggested various learning strategies, parents suggested ideas to make these strategies more specific, and students told us what would make them learn. Meetings are held every year to review the compact and make changes based on students' needs.

¿QUÉ ES UN COMPROMISO ENTRE ESCUELA Y PADRES

Un compromiso entre la escuela y los padres para el logro es un acuerdo que padres, estudiantes y maestros desarrollan juntos. Explica cómo los padres y los maestros trabajarán juntos para asegurarse de que todos nuestros estudiantes alcancen los estándares de nivel de grado. Los maestros, estudiantes y padres de la Escuela Intermedia Armendariz desarrollaron este Compromiso entre Escuela y Padre para el logro. Los maestros sugirieron varias estrategias de aprendizaje, los padres sugirieron ideas para hacer estas estrategias más específicas, y los estudiantes nos dijeron qué les haría aprender. Las reuniones se llevan a cabo todos los años para revisar el pacto y hacer cambios basados en las necesidades de los estudiantes.

SCHOOL GOALS FOR STUDENT ACHIEVEMENT

This year Armendariz Middle School will work on continuing to increase the number of students who meet or exceed state standards in all academic areas, through increased concentration in a variety of literacy strategies across the curriculum. We will also focus on enhanced social skills as part of student success and to address the whole child. Teachers will work to provide challenging and engaging work for students that focus on the different learning styles of students for growth and progress during the school year and the year to come. Every child is expected

6th Grade Goals:

- To encourage effective social skills and achievement in middle school transition.
- To teach students to think and write at higher levels through constructed response
- To continue to increase the number of students who meet or exceed state expectations on the STAAR assessments in all academic areas.
- To increase the use of technology to achieve learning goals and classroom management.

7th Grade Goals:

- To continue to increase use of technology to achieve learning goals and to increase classroom engagement.
- To teach students more research methods using technology.
- To teach with more hands on activities and lessons
- To increase the number of students who meet or exceed state expectations in all academic areas.
- To teach students to think and write at higher levels and increased focus on constructed response.

8th Grade Goals:

- To remind students to monitor their grades.
- To focus on increasing achievement regarding constructed response across curriculum.
- To provide students with the opportunity to improve their writing skills across the curriculum.
- To prepare 8th graders socially and academically for all that is expected of them in high school.

At Home:

Parents and guardians are vital to the success of our students and our school! You have a significant impact on the way students view the learning process, their attendance, and their motivation.

Armendariz parents are committed to:

- Encourage and support my student by helping them set learning goals.
- Monitor my child's grades.
- Keep open communication with teachers and my child regarding academic progress
- Find real world ways to support my child's learning, for example: having them write letters, brainstorming to solve problems at school, at home, and among peers.
- Help my student by providing an area and time to do homework and help them get organized.

STUDENTS

With the support from faculty, staff, and parents, students will set academic goals to:

- Increase reading time each day.
- Ask for help when needed, especially when confused during a lesson.
- Have a positive attitude about learning and setting goals for myself.
- Be present and on time for school each day.
- Be responsible for any missing and make-up assignments.
- Find real-world applications for writing.

**Communication is key!
We look forward to an
exciting and successful year!**
