

Mustangs:

EPCC courses begin on Tuesday, January 16, 2024.

This is a reminder to log into your EPCC Blackboard to view your registered courses for the **2024 Spring** semester.

If you do not see any courses on your EPCC Blackboard prior to EPCC's start date (Tuesday, January 16, 2024), they may not be available to view until Tuesday, the 16th. JUST KEEP CHECKING!

Avoid receiving an **F** for not physically attending class, or for not logging into your online course(s).

Textbooks / Access Codes

As soon as you receive access to your course(s) syllabi, please visit with Ms. Betty in the bookroom to obtain your course materials.

If you have a 14-day free trial for online resources, such as Labster, DO NOT wait until the 14-day free trial expires to obtain your access codes! Access codes run out fast and it will take weeks to order and receive more.

Student Support

If you need any assistance with your EPCC login, EPCC Blackboard, or have general questions/concerns, please reach out to any BECHS staff or DC teacher. **DO NOT hesitate to visit with any support staff for assistance!**
