

## **BUILDING A WORKABLE PLAN**

### **PLANNING FOR CONSISTENT CAMPUS WIDE DISCIPLINE**

In order for discipline to be fair and consistent, there must be a tremendous effort to establish student expectations, campus wide rules of conduct and a set of rules that must be enforced in each classroom. The following are those that have been established by the El Paso Independent School District to be implemented in all schools and classrooms in the district.

### **STUDENT EXPECTATIONS**

The El Paso Independent School District has established a set of minimum behavioral expectations for students as published in the EPISD Student Code of Conduct. These expectations should be widely distributed and students and parents should be well-aware of them.

#### **Students are expected to:**

- Demonstrated courtesy, even when others do not.
- Treat each other and adults with respect.
- Behave in a responsible manner, always exercising self-discipline.
