ATTENDANCE/TARDY POLICIES AND PROCEDURES

The State of Texas requires all students from the ages 6 to 18 to attend school. A child shall attend school each day for the entire period the program of instruction is provided (TAC Section 25.085). School district policy provides that absences are excused for illness, family emergencies, and school closings.

State law requires all school districts in the State of Texas to file a petition in court on a student and/or parent, guardian, or responsible person for excessive unexcused absences. Excessive unexcused absences will result in a court warning and or court attendance by the parent(s) and student. An offense may be prosecuted in a Justice of the Peace Court in which the individual resides.

Please and/or legal guardians are responsible for calling in absence(s) to the front office at 915-236-0900

Parents or legal guardians MUST call in an absence. Call-ins cannot be accepted by student, brother, sister, etc. Absences totaling 3 consecutive days require a doctor’s note. Doctor’s notes MUST be turned in within 5 days of the last absence. Students with doctor’s notes with limitations such as no PE, elevator use, etc. MUST be seen by the Nurse first. Out of town absences are generally unexcused unless prearranged and approved by the principal.

It is the responsibility of the student to obtain, complete, and return make-up work to teacher. Assessments will not be given in advance of an absence.

Tardies– A Tardy is defined as entering class after the class start time has passed.

As we prepare our students to be college and career ready, we must ensure they see the value of being on time. Excessive tardiness to class is unacceptable. Repeated tardiness will result in disciplinary action.

Tardy sweeps may be done at random by administration. If a student is more than 10 minutes tardy to a class, they will be counted as absent. It is the student’s responsibility to inform parents of their tardy and consequences.

Consequences for Tardies:

1st Teacher-student private conference
2nd Teacher-student private conference and parent contact
3rd Teacher-student private conference and detention
4th Parent contact and detention
5th Student referred to grade-level administration

AMOUREOUS BEHAVIOR POLICY:

Public Displaying of Affection (PDAs)

Embracing, hugging, kissing, or any affectionate touching is prohibited on campus. Students engaging in this kind of activity while on campus or at campus sponsored events will be warned and parents may be notified. If any additional warnings of inappropriate physical contact are noticed, students will face disciplinary consequences.

ATHLETES

All athletes must maintain a 70% or better in all classes, no referrals, and maintain satisfactory conduct to remain on the team. If you have further questions, see the Coach.

BOOKROOM

Hours are from 7:15 A.M.–3:45 P.M. Books that are returned damaged by students may be assessed a fine by the bookroom clerk. All lost books will have to be paid for by the student to be cleared for the coming year.

BULLYING

Bullying is not tolerated at Guillen middle school. Bullying is intentional, repeated hurtful acts, words or other behavior committed by one or more student against another. These negative acts are not provoked by the victims and involve an imbalance of power.
If you are being bullied or witness another student being bullied, please follow this procedure:

1. Tell bully to stop.
2. If that student continues to bully, tell a teacher/adult.
3. If the bully behavior continues after teacher/adult intervened, go to office, fill out a student statement, and ask to speak with your counselor.
4. The counselor and assistant principal will work with students on conflict resolution.
5. The assistant principals will get involved with disciplinary action if the bully has not stopped behavior after procedure was followed.

*Cyberbullying incidents will follow David’s Law procedures: this is to include all social media concerns on or off campus.

**CAFETERIA**

Please remember to return or dispose of all utensils and trays, lunch sacks, and napkins to the proper places. Meals are not to be taken out of the cafeteria or the cafeteria patio. Food cannot be brought back to the classroom. We strive to keep the building and grounds clean at all times.

Students are expected to maintain respectful behavior and remain seated while eating and until dismissed to go outside. If at any time a student is misusing the cafeteria, after-school detention may be assigned

**CELL PHONE USE**

4. **Cell phones, electronic devices, games or other items that are visible, ring, or otherwise indicate that they are in-use during prohibited times will be confiscated.** Failure to relinquish this device to a school authority will be dealt with as insubordination or refusal to accept discipline management in the EPISD Student Code of Conduct and will result in disciplinary action.

5. Confiscated cell phones must be picked up in office by parent or guardian and a **$15.00 Fine** will be assessed as per El Paso ISD Board Policy before phone is released to parent after school.

Graffiti of school property is considered a serious offense and will be treated as such. Any markings on desks, restrooms, lockers, books or the building will be treated as criminal mischief, and disciplinary action will be taken. Any damage done will result in the student reimbursing the school/district for such damages.

DISCIPLINARY EXPLANATIONS

Disciplinary action will draw on the professional judgment of teachers and administrators and on a range of discipline management techniques. Discipline will be correlated to the seriousness of the offense, the frequency of the misbehavior, the student’s attitude, the effect of the misconduct on the school environment, and statutory requirements.

Detention and/or Community/School Service: A student may be required to serve detention after school and lunch detention. The amount of time is determined by the teacher and/or administrator. Possible reasons for detention may be, but not limited to tardiness, disruption in halls, classroom, or cafeteria, or other minor violations to the Student Code of Conduct.

In-School Suspension (ISS): ISS is a separate designated classroom in which the student is placed to complete his/her regular class assignments and any additional assignment given by the ISS teacher. It is the student’s responsibility to make sure that all regular class assignments are completed. Only an administrator may place a student in the ISS classroom for a limited period of time for some of the following reasons, but not limited to persistent misbehavior, no-show for detention, disruption in/out of class, insubordination, rude/disrespectful behavior or not following the District/School Code of

**Disciplinary Alternative Education Program (DAEP)** - This is a self-contained classroom. DAEP students are not allowed to attend any school or school-sponsored activities. DAEP students are not to be on any EPISD school campus except arriving and departing school for attendance purposes only. DAEP results from a student not following the District/School Code of Conduct not limited to any of the above violations. This includes any DAEP students exiting the DAEP classroom. Students may receive after school detentions, community service, and/or other reasonable consequences for classroom or school violations while in DAEP. At no time during DAEP placement are students to be out of uniform. **Parents of DAEP are responsible for transportation to and from school based on DAEP school hours.**

Teachers will lead students out of the building using the designated exit doors and walk out to the designated areas outside of the building. **If a student is unable to walk down the stairs due to an injury or if a student is in a wheelchair, the student is to be taken to the stairwell right outside of the library. A team of adults will safely evacuate the student using our safety chairs.** (See Fire Drill Maps). Students are to wait in these areas until the “All’s Clear” bell. Students will then enter the building and return to their classroom.

*Lock Down:* In the event of a lock down drill or an actual lock down, an announcement will be made that states: **“YOUR ATTENTION PLEASE. WE ARE EXPERIENCING A SITUATION THAT REQUIRES US TO LOCKDOWN THE BUILDING IMMEDIATELY. TEACHERS KEEP STUDENTS INSIDE THE BUILDING UNTIL FURTHER NOTICE.”**

<tr>
<td>90-100</td>
<td>A</td>
</tr>
<tr>
<td>80-89</td>
<td>B</td>
</tr>
<tr>
<td>70-79</td>
<td>C</td>
</tr>
<tr>
<td>Below 70</td>
<td>F</td>
</tr>
</tbody>
</table>

Grades shall be uploaded weekly into the grade book and shall include a minimum of 12 grades for the nine-week grading period as follows, a minimum of:

- Four grades shall reflect content mastery through summative assessments;
- Four grades shall reflect content understanding through formative assessments; and
- Four grades shall reflect content engagement through daily assignments.

The final nine-week grade shall be determined as follows:

- Forty percent for content mastery;
- Forty percent for content understanding; and
- Twenty percent for content engagement.

Students shall be notified of all grades recorded by the teacher. Papers for which grades have been recorded shall be returned to the students for review.

A student shall be allowed to redo assignments/tests where a grade of 70 percent was not earned. Retake opportunities must be offered by the teacher after the grade is posted within 5 days. Remediation shall be encouraged before a student is allowed to redo any assignment/test that has resulted in a failing grade. The redo assignment/test must cover the same TEKS as the assignment/test where the student scored less than a 70 percent but does not have to be the same assignment/test. The average of the attempts shall be recorded in the grade book as the final grade for the assignment/test.

A student shall have five school days from the day the assignment is posted to redo an assignment or retake a test where a 70% grade was not earned.

At the end of each nine-week grading period, the window to redo assignments/tests for that grading period shall close. For extenuating circumstances, the principal shall work with the teacher to extend the five school days or allow redo assignments/tests after the end of the grading period.

Extenuating circumstances are factors outside of the student’s control that impact his or her ability to redo an assignment/test within the time frame allowed.
Students shall be permitted to make up assignments/tests after absences including approved school related absences. Students shall be allowed one day for each day absent to make up work and receive full credit.

Each nine weeks is weighted at 25% of the year end final grade.

For high school credit courses, the weight given to each nine-week grade in determining the final semester grade shall be as follows:

- First nine-week grade = 45 percent of the semester grade.
- Second nine-week grade = 45 percent of the semester grade.
- The semester final examination shall count as ten percent of the final semester grade.

If a student does not take the semester comprehensive examination because he or she has a campus exemption, [see EIAA(LOCAL)], then the weight given to each nine-week grade in determining the final semester grade shall be as follows:

- First nine-week grade = 50 percent of the semester grade.
- Second nine-week grade = 50 percent of the semester grade.

A student who is not exempt from the final examination and does not take the semester comprehensive final examination due to an unexcused absence shall receive a zero for that examination.

At the discretion of the principal, a student may be allowed to take a missed final exam. This is to be completed by the end of the academic year (August–July).

The district shall issue report cards giving notice to a parent or legal guardian [see EIA(LEGAL)] of his or her student’s performance in each class or subject every 9-week grading period on a form approved by the Superintendent or designee.

Progress reports shall be issued to a parent or legal guardian [see EIA(LEGAL)] in accordance with District policy. For secondary school students, progress reports shall be issued to all students every three weeks. The progress report, signed by the parent or legal guardian, shall be returned to the appropriate teacher. [See EIA (LEGAL)]

Performance shall be measured in accordance with this policy and the standards established in EIE. Guillen Middle School shall report progress to the parent or legal guardian as numerical scores. Students who receive a failing grade due to academic dishonesty shall not be allowed to redo assignments or retake a test. At the discretion of the teacher a discipline referral may be issued. A student found to have engaged in academic dishonesty shall be subject to grade penalties on assignments or tests and disciplinary penalties in accordance with the Student Code of Conduct. Academic dishonesty includes cheating or copying the work of another student, plagiarism, and unauthorized communication between students during an examination. The determination that a student has engaged in academic dishonesty shall be based on the judgment of the classroom teacher or another supervising professional employee, taking into consideration written materials, observation, and/or information from students. [See also FNC and FNG (LOCAL)]

STUDENT TRANSFERS

It is an honor and a privilege to be a student at Guillen Middle School. If there are any problems with discipline, attendance, low grades due to lack of effort, or lack of parental cooperation, TRANSFER PERMISSION MAY BE REVOKED.

TEXTBOOKS

All textbooks (including electronic textbooks) are loaned to students for their use during the school year. Books for each class are issued to students generally, during registration and are expected to be turned in at the end of the year in reasonably good condition. Students are expected to keep their books covered at all times and to handle them with proper care. This includes not writing in the books or defacing them in any way. Although textbooks are provided to school districts free of charge, all books which have to be replaced must be paid for by the district.

Books which are lost or damaged beyond repair must be paid for by the student, parent, or legal guardian to whom the books were issued. Fines will be assessed to students whose books have been damaged. A district or school can withhold a student’s records if a textbook, including electronic textbook and technological equipment is not returned in an acceptable condition.

Students are not to share books or loan them to other students, as this often results in problems when one student loses a book which belongs to another student. In such cases, the financial responsibility lies with the student who was issued the book, even if another student was using it. It is imperative that each student keep up with his/her books at all times. This includes while they are in the physical education locker rooms and during lunch periods. Parents, we encourage you to talk to your child about being responsible for their books.

All threats (verbal, written, and non-verbal) are considered to be serious and will be dealt following EPISD Student Code of Conduct.
