## Title I Meetings

---

---

- Our school will hold a minimum of two meetings throughout the school year to review with parents the Title I School requirements.
- Other information that will be distributed at these meetings is the District and School Family Engagement Policy, Parent-Teacher Compacts, and other important campus-based information.
- These and other important meetings will be held on different days and times to ensure that all parents have the opportunity to attend.

## Family Center's Services

---

---

To reach our goal, we are committed to providing parents with the tools they need to help their children's social and academic growth.

### Services:

- A variety of meetings, trainings, and activities on multiple topics offered throughout the school year on different days and times.
- Library with items for children and adults.
- Computers and printer available for parents to access the Parent Portal and monitor their children's progress.
- A private place to hold meetings pertinent to the child's safety and well-being.
- Academic programs and games available to take home.
- Kid's area for younger children to play while parents attend meetings, trainings, and classes at the center.

## School Commitments

---

---

At Sunrise Mountain we understand the vital role that families play in their children's education and that is why we commit to:

- Maintain and open communication using different methods such as newsletters, calendars, school website, and school messenger, among others.
- Hold Parent-Teacher conferences at least twice a year to address any concern about the students and to discuss the parent-teacher compact.
- Create different surveys to collect information about the needs and concerns of parents.
- Provide information to the parents about the local and state policies, procedures, test, and more.
