ATTENDANCE POLICY

Excused Absences: Absences are to be excused when they result from reasons specifically allowed in Section 21.035 of the Texas Education Code: personal illness, sickness or death in the family, quarantine, weather or road conditions making travel dangerous, or special or extenuating circumstances acceptable to the Principal/Designee. Please call the school 774-4040 for **each day** your child is absent or send a hand written note within three days.

Requested Absences: A requested absence, is an absence which cannot be classified as excused. Such requests are to be submitted in advance and in writing to the principal/designee.

Unexcused Absences: An unexcused absence is one which may or may not be known or approved by the parents and/or school and which cannot be classified as excused or requested according to the above definitions. After excessive unexcused absences occur, the school will begin a 45 day plan to correct. If unexcused absences continue with no improvement, court will be notified and a case will be filed. **Please call everyday your child is absent from school, or send a hand written note.**

Student Information Update: Parents please contact the register if there is a change of address.

ATTENDANCE PROCEDURE

It is necessary that a parent or guardian phone the school the day of the absence. The school phone number is 774-4040. Use the EPISD parent portal to view your child's attendance, please go on line to episid.org.

Excessive absences will begin a 45 day plan for correction to include make up session hours in the classroom or will be filed in JP court.

Unexcused Absences: Parents/students will be sent to court for excessive unexcused absences. Parents will receive a warning when their student accumulates three unexcused absences within a four week period.
