# Holiday

## FRIDAY

### April 19<sup>th</sup> 2019

#### SCHOOL HOURS

It is strongly suggested that students arrive on campus by 7:30 a.m. The first bell rings at 7:40 a.m. and the tardy bell rings at 7:50 a.m. The tardy policy is strictly enforced and arriving after 7:50 a.m. may result in the student losing valuable instructional time. Early arrival at school before 7:00 a.m. is discouraged

except when a student plans to receive additional instruction from a teacher.

## **Medical Appointments**

Doctor/Dental notes are required for all medical appointments. Only ½ day will be excused, unless the note states that the appointment took all day. Doctor notes must be turned in on the day or immediately on the day after the doctor's appointment to ensure the student has the appropriate time to complete any missed assignments.

classroom and teacher.**

During this time, they can cover any number of topics from core subjects to fine arts to social emotional exercises.

Each subject is given a specific week to request students. This time is used as an intervention/enrichment for our students.

***6<sup>th</sup> Grade Jaguar Parent***

We have over 200 6<sup>th</sup> grade students needing the TDAP and Meningococcal vaccines for the incoming 7<sup>th</sup> Grade School Year. If you received in the mail a letter

from the school nurse, then your child is due for immunizations.

Please accomplish this mandatory requirement before this school year ends to avoid long lines at 7<sup>th</sup> grade registration in August 2019.

## **IMPORTANT**

**Upon completion, please turn in the updated shot record to the School Nurse.**
