Hello Jaguars,

If your family is moving or PCSing this summer or sooner, please contact our Registrar so she can start to prepare your student's records for his or her new school. We would greatly appreciate notification if your 6th or 7th grader will not be returning to Richardson next year. We do have a waiting list for students requesting to attend Richardson next year. Also, if your student will not be returning to EPISD next school year, please turn in your student's laptop before the last day of school.

If your student registered for the 2019-2020 8th grade Pre-AP reading class, they received their summer reading assignment last Monday. This assignment will be due the first week of next school year. If you have questions, please contact Jennifer Smith at jlbailey@episd.org.
