

What is an Ambassador?

Being an ambassador provides our students with the opportunity to demonstrate leadership and diplomacy skills. Milam student Ambassadors make a commitment to lead by example, and to always demonstrate respect to others. They will represent Milam Elementary while assisting with a variety of school events. Some of the duties and responsibilities of our SAP students are:

- School tours for new students
- Serve as Milam Elementary representatives while performing duties at various school events
- Create a mentorship relationship with younger students

Benefits for School Ambassadors:

- Students will learn leadership skills
- Fewer bullying incidents of new students
- Ease school transitions for all new students whether military or civilian
- Enhanced awareness and respect for all students among students and faculty alike
