CLUB No. 1333

District 5520

EL PASO
TEXAS

January 25, 2021

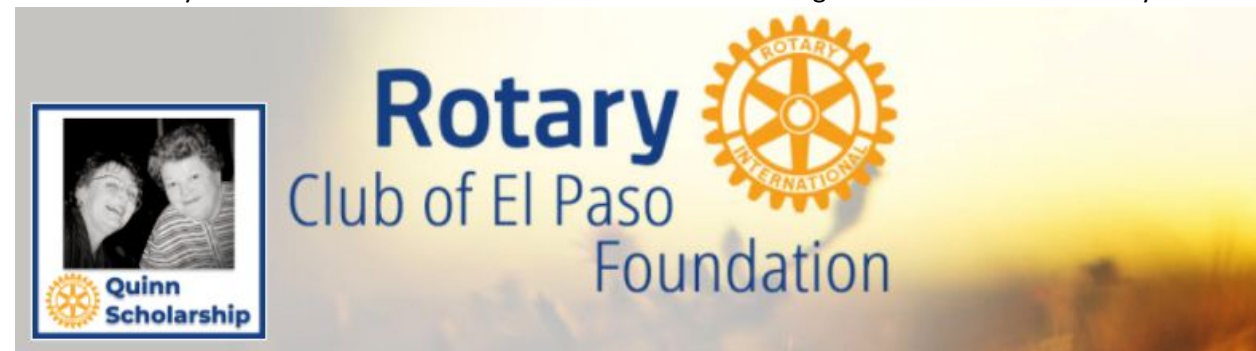

Dear EPISD seniors,

The Rotary Club of El Paso Foundation and the Dorothy Quinn Estate have established a scholarship fund in memory of Dorothy Quinn's parents, James and Florence Quinn, to provide college scholarships to selected high school seniors on the basis of academic achievement.

Ms. Dorothy Quinn, a former math teacher at Austin High School, generously bequeathed money to the Rotary Club of El Paso Foundation to administer the granting of the scholarships. Ms. Quinn thought the more individuals she could help get started in college, the better it would be for the community, as well as the recipients.

The primary goal of establishing the Quinn Scholarship is to help deserving high school students further their education in a manner that fulfills the wishes of Ms. Dorothy Quinn, the benefactor of the program.

The Rotary Club of El Paso has been in El Paso for over 100 years with the goal of being a service organization contributing to making El Paso and the surrounding community an outstanding place to live. The Rotary Club is honored to serve as administrators in making Ms. Quinn's vision a reality.
