

Coronado P-TECH Business Admission Policy

Coronado High School is excited to offer you and your child a new opportunity that will put them on the fast-track to success after high school. EPISD and El Paso Community College have joined in a strategic partnership to implement the nationally certified and proven, "Pathways In Technology Early College High School (P-TECH) Academy." Coronado P-TECH Business will enable your student to simultaneously take classes here at Coronado High School and El Paso Community College with the goal of graduating and earning an:

- Associates Degree Accounting, Business and Economics
- Industry Certification in Computerized Accounting Applications

All 8th graders enrolled in EPISD as well as the surrounding districts are welcome to apply for admission to this program. Applications can be found on the EPISD website.

Coronado P-TECH is open enrollment. Enrollment decisions are not based on state assessment scores (STAAR), discipline history, minimum grade point average (GPA), or other criteria that create barriers for student enrollment.

As an added incentive to students and to support their achievement, Coronado P-TECH students will have the opportunity to earn high school and college credit hours by taking dual credit courses. Additionally, students will have ample opportunities to engage in real-life activities and events with business industry partners.
