

Priority deadline for seniors to submit the Federal Student Aid (FAFSA) application is January 15th

Submitting the FAFSA allows students to access money from the federal government to help pay for College. As of this date, we have several seniors who have not yet submitted their FAFSA applications.

All students who submit their FAFSA application by the January 15th deadline will be entered into a drawing for five \$200 Visa gift cards. Students who submit their FAFSA application between December 2nd and January 15th will receive an additional \$10 gift card to Starbucks or Little Caesars.

If you need assistance, please visit the following links for FAFSA Help.
