Dear Military-Connected Families,

With El Paso being the proud home to Fort Bliss and Biggs Army Airfield, we extend our warmest welcome to you and your families.

We understand the unique challenges that military-connected students face with each relocation. Rivera Elementary is dedicated to supporting you through your move and educational journey. We are thrilled to announce that we have applied to be recognized as a Purple Star School.

The Purple Star School program is specifically designed to address the educational and social-emotional needs of military-connected children during transitions between schools. Our goal is to ensure that your children remain on track to achieve success in college, the workforce, and life beyond.

At Rivera Elementary, our faculty and staff are committed to providing your children with the highest quality education possible. We encourage all students to actively participate in their child's academic journey by engaging with teachers, utilizing various communication channels available, and joining the Parent Teacher Organization (PTO).

If you have any questions or concerns, please don't hesitate to reach out to us. We are here to support you. Feel free to visit our campus or contact us at (915) 236-3700.

Thank you for your service to our country. We look forward to partnering with you in your child's education.

Warm regards,

Hillery Smith
Principal
