Select “Self Service” from the application dashboard.

Scroll all the way to the bottom to find “Zoom.” Select Reinstall to assure you have the most up to date version of the Zoom Application.

After the re-install, open Zoom. Select “Sign In.”
Students can’t simply enter the EPISD student email into the email and password boxes on this screen. They must select “sign in with Google.”

After selecting “Sign in with Google,” enter your EPISD email address (WITHOUT the onmicrosoft.com ending).

Select “Create Account.”
Select “View Details and Choose.”

Select “Consolidate into Account.”

Your account has been switched successfully.
You are now a member of the Zoom account El Paso ISD (ESC 19).

Select “START ZOOM”
