Under State Law, school districts are not liable for accidents which occur in schools. It is important to understand the school/district **IS NOT** responsible for medical payments or bills for your child. If your child is injured during **ANY SCHOOL, ATHLETIC, OR UIL SPONSORED ACTIVITY** all medical charges are YOUR RESPONSIBILITY.

The school district has attained an accident insurance policy which parents may purchase for their children. This is a limited benefit policy, and any expenses not covered by this policy are the responsibility of the parents.

Students in grades 7-12 participating in UIL athletic and non-athletic activities may purchase this policy, "With UIL COVERAGE." This will cover accidents that occur while participating in UIL activities.
