

Return to School Protocols

1. Temperature checks are optional for students before school.
2. Masks are optional per Texas Governor Gregg Abbott. Executive order GA-36
3. Students should continue with self-checks each day before school and if ill students should stay at home.
4. Previous cleaning and sanitation guidelines will continue in our school.
5. Cleaning and decontamination of water fountains will be scheduled regularly.
6. We will teach proper handwashing and time between activities for good handwashing. Students can use hand sanitizer
7. Students should bring their own water bottles to avoid bringing the face and mouth to the waterspout.
8. Students will be encouraged to keep their desk and working area clean.
9. We will not be issuing clothing out for the 2021-2022 school year.
10. Isolation rooms will be available when needed.
11. We are still reporting positive cases to the Health Department.

Checklist for parents before sending students to school

1. Check your child each morning for signs of illness. If your child has a fever, they should not go to school.
2. Make sure your child does not have a sore throat or other signs of illness, like a cough, diarrhea, severe headache, vomiting or body aches.
3. Make sure your information is current at school, including emergency contacts and individuals authorized to pick up your child from school.

Please note that school protocols and guidelines will be updated as needed to reflect current changes.

Please know that the safety and health of our students and community are our priority.

I wish you all a Healthy and Successful 2021-2022 school year!

Many Thanks!
