

Welcome back, Lady Wolverines!

My name is Coach Rosales. Coach Casillas and I will be the girls track coaches for the 2021 spring season.

**Our practices will take place at EPHS every weekday (Monday – Friday) from 3:15 P.M. to 4:15 P.M starting on Wednesday, January 27th.**

If you are interested in joining the girls track team, please send me an email by Monday, January 25th with the following information:

Student's first and last name

Parent's name and a contact ph.#

Grade level

Student I.D #

Create a student and parent Rank-one account

In order to help with social distancing, no spectators will be allowed at practices. If you wish to wait for your child, please wait in your vehicle. This will help us to remain in compliance with the Athletic and City ordinances. As for attending athletic events, we are currently waiting to receive further information on how we will be handling this situation. There will be more information to pass on regarding the protocol that we will need to take due to the COVID-19 epidemic. This information will be presented during a future Zoom conference.

In the meantime, I am asking that any student interested in joining the team please have a physical by January 25th, 2021. Please submit your physicals to Coach Zamora @ Wiggs or send a photocopy to me by email @ [rrosales@episd.org](mailto:rrosales@episd.org) or call me at 915-246-9656 before Tuesday Jan 26<sup>th</sup>. If we do not have a physical for the student by the 27th, they will not be allowed to practice.

I will schedule a Zoom meeting after I have received all of the information in order to pass it on to both parents and athletes and address further concerns.

If you need to speak with me, you may do so by email or by phone.

Stay safe,

Coach Rosales
