Welcome back, Wolverines!

My name is Coach Rosales, and I will be the cross-country coach for the 2020 fall season. I ran cross-country in high school and have been running ever since. I am currently the assistant cross-country coach at El Paso High.

**Our practices will take place at Wiggs every weekday (Monday – Friday) from 6:15 A.M. to 7:15 A.M starting on Tuesday, September 8th.**

If you are interested in joining the cross-country team, please send me an email by Monday, August 31st with the following information:
Student’s first and last name
Parent’s name
Grade level

In order to help with social distancing, no spectators will be allowed at practices. If you wish to wait for your child, please wait in your vehicle. This will help us to be stay in compliance with the Athletic and City ordinances. As for attending athletic events, we are currently waiting to receive further information on how we will be handling this situation. There will be more information to pass on regarding the protocol that we will need to take due to the COVID-19 epidemic. This information will be presented during a future Zoom conference.

In the meantime, I am asking that any student interested in joining the team get a physical by September 4, 2020. I will be at Wiggs in the school parking lot on Tuesday, September 1st and Thursday, September 3rd between 4-6pm to collect signed physicals. If you have any issues with getting the physical to me, please email me at rrosales@episd.org or call me at 915-246-9656 before Friday the 4th. If I do not have a physical for the student by the 4th, they cannot be considered for the team.

Per the Athletics Department, both of the 7th and 8th grade teams will only be allowed to field 10 athletes per team. This means we will be able to field 10 girls for 7th grade, 10 boys for 7th grade, 10 girls for 8th grade, and 10 boys for 8th grade.

I will schedule a Zoom meeting after I have received all of the information in order to pass it on to both parents and athletes and address further concerns.

If you need to speak with me, you may do so by email or by phone.

Stay safe,

Coach Rosales
