PARTNERSHIPS IN
EDUCATION (VIPS/PIE)

VIPS/PIE are school-sponsored programs designed to afford members of the community an opportunity to become active participants in the educational programs offered by the District.

VIPS/PIE work in both elementary and secondary schools as tutors; classroom assistants; and clerical, library, playground, and cafeteria aides. They also offer special enrichment skills in art, music, photography, and career education.

VIPS/PIE are required to attend a brief training program. Application forms and other information can be secured from the VIPS/PIE office at the education center.

District nonexempt employees (as defined by the Fair Labor Standards Act) may not serve as volunteers for campus- or District-related activities. They must be compensated for all work performed for the District.

Nonexempt employees may volunteer for PTA, booster club, and other related yet non-District activities as long as they are not performing duties for these organizations that are similar to those they perform for the District. Specific information may be obtained from the District's VIPS Handbook.
