High Impact Tutoring

In accordance with HB4545, students must obtain 30 Hours of High Impact Tutoring for each EOC/STAAR that a student has failed.

The schedule at TMECHS was changed to accommodate students who need High Impact Tutoring in English I, English II, and Algebra. Students will obtain their hours in either a Reading class or an EOC Algebra Intervention course.

TSI Instruction in Reading Courses

TSIA 2.0 changed in January 2021 which has proven to be a challenge for students.

Students who did NOT pass TSIA 2.0 during Summer Bridge are placed in a Reading Intervention Class to assist with test.

Students are taught Test Taking Skills along with vocabulary development, grammar instruction, composition skills to pass Essay and Multiple- Choice portion of exam.
