

STUDENT DROP OFF AND PICK UP

DUE to traffic concerns on Luna Street we will NO longer be using the loop off Luna!!

We are asking parents/guardians to please embrace the concept of ***"Drop off and Go"*** as well as ***"Pick up and Go."*** This will help limit the amount of congestion before and after school and will help us ensure the safety of our students. We thank you for your patience and cooperation as we work together this school year.

Before School:

Please **DO NOT** drop off your child before 7:30 as we do not have supervision before this time.

- All Students will be dropped off in the front of the school through the roundabout. Prek and Kinder students will enter through our front entrance and proceed to the cafeteria. We will have staff available to help get your child to the cafeteria, where they will eat breakfast. Their teacher will pick them up in the cafeteria at 8:00.
- 1st-5th Grade students will enter the gate to the lower blacktop where they line up on the lower black top. Teachers will pick up students at 8:00.

Parents are not allowed on the blacktop or cafeteria before school. We encourage parents to ***"drop off and go"*** in the morning. This will foster independence in your child. All parents **MUST** sign in and have a visitor's pass from the front office to be allowed on school property.

After School:

All students are dismissed at 3:25. Please be on time when picking up your child. If unforeseen circumstances arise and you will be late picking up your child, please call the front office (915) 236-8675 so we can arrange supervision for your child.

Car Riders: (Students being picked up in a vehicle.) We will bring your child to your car. **Please do not get out of your car, your child will come to you.** (If you plan on parking and getting out of your car, you will need to pick up your child at the designated "Walker" pick up area, which is located through memorial park by the gym. We ask for your patience as this process may take some time especially at the beginning of the year. You can help us by writing your child's name on a sheet of paper and displaying it in the passenger side window. Also, please drive slowly and with caution to ensure the safety of all our students.

Prek-Kinder, 1st and 2nd Grade-will pick up in the Roundabout in front of the school by the lower blacktop gate.
3rd, 4th and 5th Grade: will pick up from the drop off zone on Aurora Street.

Walkers: (Students being picked up on foot (Not in a vehicle.))

- All students being picked up by a walking parent, will be dismissed through memorial park, next to the multipurpose building. **PLEASE DO NOT PICK UP YOUR CHILD AT THE ROUND ABOUT OR AURORA DROP OFF ZONE! These areas are for car pick up ONLY!!**

*If you have children in multiple grade levels, older children will be picked up with their younger siblings on the lower blacktop. **Please notify your child's teacher so we can ensure they are at the appropriate pick up area after school.**
Thank you!

Once again, in order to keep our students' safe we kindly ask for a ***"pick-up and go"*** mind set. **No students** will be allowed to hang out and play after school. Once we begin our after-school activities (tutoring/extracurricular) students will be picked up in front of the school by the drop off loop. Child safety is our top priority and we appreciate your assistance and commitment to keeping our students safe.
