EPISD, Con Mi MADRE partner to support to Latina students

EL PASO, TEXAS — The El Paso Independent School District and Con Mi MADRE (Mothers And Daughters Raising Expectations) will announce a partnership that will allow young Latina students at six District middle schools to receive services aimed at increasing educational attainment and college readiness.

The partnership will be officially announced during an event at 5:30 p.m. on Thursday, April 6, at the Hotel Indigo El Paso Downtown, 325 N. Kansas.

Con Mi MADRE is an Austin-based nonprofit that provides programming that brings young Latinas and their mothers together to strengthen their relationship through a bond that includes college readiness for the student. The program helps families understand the importance of college in time for them to set goals and make changes to support their daughter's education.
