

Hello Everyone, it is time to assign our Middle of the Year LPAC Instructional Accommodations.

Only English teachers will update instructional accommodations

**-ELL Instructional Accommodations** – these are the things you are doing in class to support your ELL students. Please choose the accommodations and sign at the bottom.

**ALL TESTED SUBJECTS** will complete/ update testing accommodations.

If Elevation was already filled out then it was completed already and accepted. Teachers who do not have tested subject don't have to complete unless they get an email from Ellevation asking them to do so. But most likely no teacher had to do anything because we have no re-testers.
