

I have included a refresher for the different Hybrid models. We need to be prepared for students virtually **and** physically in the classroom simultaneously.

<https://docs.google.com/presentation/d/1Sz3md5XCfgA7UUWWp04OPnL6kYDtsfvxP6I-pvGy10I/edit?usp=sharing>

***You do NOT have to create a FlipGrid video, but please be prepared to speak about the different approaches during our next PLC.**
