PLC PowerPoint for Jan 22, 2021.

From Jenniefer Quinn:

Here is the updated (and hopefully final) proctor list for PSAT on Tuesday. I have also attached the list of students with their assigned testing room.

Just a few reminders:

- Proctors can begin picking up materials at 7:45.
- Students should arrive by 8:15.
- Begin instructions by 8:30.
- Do not release the students from your testing room until you are told to do so. I will release each room one at a time after materials have been turned in so we do not have too many lined up in the cafeteria at once.
