## [El Paso High School](#)

**The Sound of Music.** The fine arts building at La High is making great progress and is expected to be ready for students in the fall of 2021. Art, band, choir, guitar, piano and orchestra will be housed in the new building. The modern structure compliments the classic architecture of the historic Lady on the Hill.

## [Dr. Josefina Villamil Tinajero School](#)

**Read and Succeed.** The new library at Dr. Josefina Villamil Tinajero PK-8 School is ready for students to enjoy selecting books and other learning materials. The modern facility boasts a makerspace, reading sections, comfortable furniture, a computer lab and a media room. Tinajero, which is scheduled for completion in fall 2022, is the consolidation of Henderson Middle and Clardy Elementary schools.

## [Crockett Elementary School](#)

**Century Campus.** Visitors to the upgraded Crockett Elementary School might never guess the modernized campus is 100 years old. The \$11-million renovation to the campus, while preserving many historical aspects of the building, were celebrated with a Ribbon Cutting Ceremony in February 2019. The Crockett Longhorns are loving the improvements to their school.

## [Jefferson/Silva High School](#)

**Play Ball!** The new Jefferson/Silva baseball field at Washington Park is a total home run. The field, a partnership between the District and the City of El Paso, features state-of-the-art facilities. The site also has bathrooms and a concession stand.

## *Building the Future*

A \$668.8 million bond proposal aimed at modernizing and right-sizing the El Paso Independent School District was approved by voters on November 8, 2016. The Bond will help EPISD create 21st Century Learning Environments throughout the District to help facilitate the modern, future-ready teaching and learning techniques that are the focus of instruction in our schools. The Bond also will consolidate schools into modern facilities that will help create a more sustainable inventory of campuses in EPISD. Other areas of focus for the Bond include investments in athletic facilities, school buses, instructional technology and safety and security measures.
