[Dr. Joseph E. Torres Elementary School](#)

Reading is Fun! The new library at Dr. Torres is already being utilized and enjoyed by students at the campus. Its bright colors and open floor plan allows for a welcoming invitation to pick-up a favorite or new book to read. We are looking forward to hosting an Open House of Dr. Torres in the future.

Wide Open Spaces. The renovated Address Quad boasts new seating areas, several lawn sections, a covered patio and a small amphitheater that is a perfect spot for outdoor learning and pep rallies. The Quad is an iconic space for all Address Eagles, and this redesign will make all activities here even better!

[Bobby Joe Hill PK-8](#)

State of the Art. This spacious art classroom at the Bobby Joe Hill PK-8 is one-of-a-kind! The colored glass windows and natural light will inspire students to tap into their creative side to create masterpieces. The project, which is the consolidation of Terrace Hills Middle and Collins Elementary, is scheduled to be completed in 2022.

[Capt. Gabriel Navarrete Middle School](#)

Frame of Mind. Construction at Capt. Gabriel Navarrete Middle is progressing nicely. The work is now 21 percent complete and most of the exterior walls are now in place. Head over to the EPISD Bond webpage to watch a time-lapse camera video of the day-to-day development of construction at Navarrete.

Branches of Learning. Collaboration among students will take place under this tree art in the common area of the pre-k and kinder wing of the new Duran Elementary. The area will have interchangeable furniture that allows students to learn in environments that go beyond their classrooms. The consolidation of Crosby, Dowell and Schuster elementary schools into Duran will take place in the fall.

Building the Future

A \$668.8 million bond proposal aimed at modernizing and right-sizing the El Paso Independent School District was approved by voters on November 8, 2016. The Bond will help EPISD create 21st Century Learning Environments throughout the District to help facilitate the modern, future-ready teaching and learning techniques that are the focus of instruction in our schools. The Bond also will consolidate schools into modern facilities that will help create a more sustainable inventory of campuses in EPISD. Other areas of focus for the Bond include investments in athletic facilities, school buses, instructional technology and safety and security measures.
