## [Capt. Gabriel Navarrete Middle School](#)

**Knight Nation.** The campus at Captain Gabriel Navarrete MS is developing nicely as framework is ongoing and structural walls are in place. The new and state-of-the-art school is the consolidation of Bassett and Armendariz middle schools. The Navarrete Knights will move into their facility in 2022.

*Building the Future*

A \$668.8 million bond proposal aimed at modernizing and right-sizing the El Paso Independent School District was approved by voters on November 8, 2016. The Bond will help EPISD create 21st Century Learning Environments throughout the District to help facilitate the modern, future-ready teaching and learning techniques that are the focus of instruction in our schools. The Bond also will consolidate schools into modern facilities that will help create a more sustainable inventory of campuses in EPISD. Other areas of focus for the Bond include investments in athletic facilities, school buses, instructional technology and safety and security measures.
