September 2023

To our Jaguar Families...

A group of Jaguars is known as a PRIDE. This year we are going to focus on the Power of the PRIDE and the strength of the Jaguar family! We are stronger together, and together we can accomplish great things!

Early Release/Parent Teacher Conferences

NRMS students have Early Release on Thursday, September 14. Students will be released at 11:05 a.m. and lunch will be available in the cafeteria from 11:05- 11:35 a.m. We also have Parent/Teacher conferences that day from 1:00- 6:00 p.m. Come meet your child's teachers and check out our resource fair as well.

Address Homecoming Parade

We invite our Jaguars to join us on Wednesday, Sept. 13 for the Address HOCO parade. We will be walking with our Jaguar Cheer Team. Wear an NRMS spirit shirt or school colors if you want to join the fun! Meet us at Arlington Park by 5:30 p.m. - parade starts at 6 p.m.

Panorama Survey

El Paso ISD launched a survey program to better understand student perceptions on learning, school environment and belonging. The program leverages Panorama Education's research-backed and validated survey instruments and reporting platform to elevate surface key insights to inform decision-making. Survey reporting includes national benchmarking, so that school and district teams can use

Students will be participating in the Panorama the week of Sept. 11-15. If you would like to opt out of participation, please send an email to your child's counselor.

Intercession and Fall Break are right around the corner. Fall Intercession will be held October 2-6, during which we will have learning opportunities for some of our struggling students. We will be reaching out to families very soon to invite students to Intercession. If your student is not attending Intercession, then they will be on break early Fall Break is scheduled for October 9-13, during which all EPISD campuses will be closed.

After School Behavior

Jaguar Parents/Guardians-

We need your help! We have just recently had several reports of negative behavior from our Jaguars as they are walking home from school. Some of the neighbors have complained of students ringing doorbells, moving trashcans, and generally disturbing the neighborhood. In addition, we have had several incidents of bullying that is taking place as students are walking down Loma de Paz. We will be monitoring farther down the sidewalk, but cannot escort all our Jaguars home. We are asking for your support in talking to your students about appropriate behavior- not just while in school, but after school as well.

Picture Day

Our update Picture Day will be September 22. Information will be sent home in the coming days in regards to purchasing pictures.

How much **physical activity** do you need?

Here are the American Heart Association recommendations for adults.

Fit in 150+

Get at least 150 minutes per week of moderate-intensity aerobic activity or 75 minutes per week of vigorous aerobic activity (or a combination of both), preferably spread throughout the week.

Move More, Sit Less

Get up and move throughout the day. Any activity is better than none. Even light-intensity activity can offset the serious health risks of being sedentary.

Add Intensity

Moderate to vigorous aerobic exercise is best. Your heart will beat faster, and you'll breathe harder than normal. As you get used to being more active, increase your time and/or intensity to get more benefits.

Add Muscle

Include moderate- to high-intensity muscle-strengthening activity (like resistance or weight training) at least twice a week.

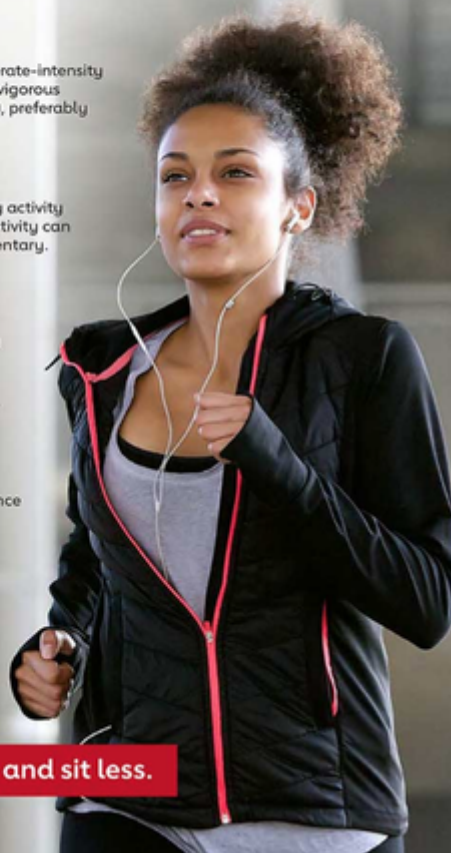

Feel Better

Physical activity is one of the best ways to keep your body and brain healthy. It relieves stress, improves mood, gives you energy, helps with sleep and can lower your risk of chronic disease, including dementia and depression.

Move more, with more intensity, and sit less.

Find out how at heart.org/movemore.

IB MYP Programme

Richardson MS is an International Baccalaureate Middle Years Programme Campus. All NRMS students participate in the IB program through common unit lessons throughout the school year that focus on the different elements of being an IB learner. In addition, students will participate in what is called the IB Design class in which lessons will be embedded within their Reading/Language Arts Curriculum. The culminating activity for all NRMS students is their 8th Grade Community Project. We will be scheduling information sessions for parents so that you can have a better understanding of the IB program and the positive impact it has on all students! Our IB Coordinator is Deena Roberts (dsrobert@episid.org), who will be reaching out to all Jaguar families with information throughout the year!

NRMS IB Mission Statement:

Our mission is to provide a quality education through shared responsibility in a safe supportive environment for all students to meet the challenges of a global society. We are “Committed to Excellence”, and we work hard to make the site a primary source for timely information for all users, and a main gateway for improved communication between parents, teachers, students and other members of our community. Our goal and responsibility is to help each student develop an enthusiasm for learning, a respect for self and others, and the skills to become a creative independent thinker and problem solver.

No Food Deliveries for 2023/24

This past year NRMS allowed food deliveries to students, but experienced many issues. Therefore we will no longer be accepting food deliveries for students. This includes Doordash, UberEats, etc. If a delivery is attempted, it will be turned away at the doors. NRMS does serve free meals each day, and students are welcome to bring their own lunch to school

We thank you in advance for your support in our efforts to keep our school safe and maintain a positive environment for all!
