Application Process

High School Program Options

- EPISD is proud of our wide variety of excellent 21st Century learning programs ranging from Early Colleges, Magnet programs, International Baccalaureate and New Tech campuses. We encourage students and parents to explore our offerings at each campus. Click on the High Schools below to explore the programs.
- Apply to a High School Program for the 2020-21 School Year

Students may apply online or download and print a paper application.

Current EPISD 8th Grade Students

The online application for current EPISD 8th graders allows students to apply to up to two high school programs at once.

- Students and parents, log in to [Parent Portal](#)
- Click on the “Student Tools” tab
- Select “Apply to High School Program” to complete the online application.

[Click here for Online Application Instructions](#)

Out of District 8th Grade Students

Out of District 8th Grade Student Applicants and all students who prefer to download and print the applications:

- Complete an application for each program to which he/she is applying
- Click on one of the programs below to access downloadable application
