

Good day Powell Ranger Parents. We are excited about the upcoming school year and want to share some very important information with all of you.

Registration- Please remember that all new and returning students must complete registration on-line for the 2018-2019 school year. Students who are not enrolled on-line by August 10 will not be able to start school on August 13, the first day for students. Do not forget to provide documentation to school on dates scheduled. The Registration schedule and Registration procedures are posted on our school website and also on Facebook under Powell Elementary PTA. To access our school website, please log on to [episd.org](http://episd.org) About Us/School Directory/School Websites.

STAAR scores for Grades 3-5 students – Please note that STAAR scores will not be mailed to parents. This year, the Texas Education Agency (TEA) has created a comprehensive website tool to aid parents in reading, understanding, and navigating their child's individual STAAR Report Card in the Texas Assessment Management System. Please log on to [www.texasassessments.com](http://www.texasassessments.com) to see your child's scores. To access scores, you will need your child's unique Student Access Code, which you will receive once you input your child's social security number and birthdate.

For the 2018-2019 school year, parents will receive most school information via documents that can be found on our school website. Please check the website now for Beginning of the Year information on Parent/Student Handbook, Attendance, and Dress Code. The EPISD Instructional Calendar and our school Supply List are also on the website.

As always we encourage you to call the school at 774-7775, if you have any questions or concerns.

Thank you.

A handwritten signature in blue ink that reads "Mr. Veilleux". The signature is written in a cursive style.

Mr. Veilleux

Principal
